

Environmental Policy

Roydale Ltd T/a AIREconcrete, AIREflo-screed and PKM GrabHire recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving performance as an integral part of our business strategy and operating methods.

Responsibility

Alan Wells, Operations Director, is responsible for ensuring that this environmental policy is implemented, however, all employees of Roydale Ltd hold a responsibility in their area to ensure that the aims and objectives of this policy are met.

Policy Aims

We endeavour to:

- Comply with all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness

Paper

We will:-

- Minimise all paper use across the business.
- Investigate purchasing recycled and recyclable products.
- Increase employee awareness on recyclables.

Energy and Water

We will seek to:

- Reduce energy use as much as possible.
- Fit auto switch off function on all lighting systems internal and external of buildings.
- Evaluate environmental impacts including energy consumption rates of all new products bought for business use.

Office Supplies

We will:

- Evaluate if the need can be met in another way
- Evaluate environmental impacts of all new products bought for business use.
- Reduce, reuse and recycle at all times.

Transportation

All additions to the fleet will be of the highest & cleanest engine specifications and we will continue to investigate alternative fuel sources as they become available.

Maintenance and Cleaning

We will:

- Use cleaning materials that are as environmentally friendly as possible.
- Use materials in any refurbishment works that are as environmentally friendly as possible.
- Only use licenced and appropriate organisations to dispose of waste.

Monitoring and Improvement

We will:

- Comply with all relevant regulatory requirements.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Increase employee awareness
- Review this policy and any related business issues at monthly management meetings

Culture

We will:

- Update this policy at least once annually in consultation with staff and other stakeholders where necessary.
- Involve staff in the implementation of this policy, for greater commitment and environmental performance.
- Work with suppliers, contractors, sub-contractors to improve their environmental performance.
- Use local labour and materials where available to reduce CO2.
